

BOILERMAKERS LOCAL 83 SUPPLEMENTAL HEALTH & WELFARE FUND

December 15, 2015

Re: Boilermakers Local 83 Supplemental Health & Welfare Summary of Benefits
for 2016

Dear Participant:

The Trustees of the Boilermakers Local 83 Supplemental Health & Welfare Fund are pleased to announce that the rate of reimbursement for the January – June 2016 claims period disbursement has been set at 70% of the self-pay rate for retiree coverage under the Boilermakers National Health and Welfare Fund. This rate will remain in place for the July –December 2016 disbursement unless you are notified otherwise by the Fund.

You are eligible for reimbursement for self-payments you make for retiree coverage under a plan or policy other than that maintained by the Boilermakers National Health and Welfare Fund. However, your reimbursement will be limited by the maximum self-pay rate for the Boilermakers National Health and Welfare Fund. It is important to remember that you will not necessarily be reimbursed 70% of what you paid, but rather the maximum amount payable under the Plan.

The Fund issues disbursements on a semi-annual basis. For the January, 2016 through June, 2016 disbursement, your claim must be received in the Fund Office no later than August 31, 2016. For the July, 2016 through December, 2016 disbursement, your claim must be received and by March 31, 2017.

Please refer to your Summary Plan Description (SPD) for more information regarding eligibility for this benefit. In addition, you may contact our office at (913) 236-5490 if you have any questions or concerns.

Sincerely,

Board of Trustees
